About Grand Harvest

Mr. Chen Shitian founded Grand Harvest in 1993 and focused on the production of pocket knife. He started a belief from one story: Our product was complained by a customer and was thrown into the river for its low quality, which was an impressive lesson to Mr.Chen. From then onwards, his belief is to persist in making "the best knife in China" and this will has never been changed.

With this original intention and belief, we focus on technology and innovation to upgrade a knife into one product with functions of cutting, sawing, chopping, lighting, measuring, guiding and so on, which has played a big role of "small knife with good functions" in daily life, outdoor sports, emergency survival and other aspects. In 2013, Grand Harvest became one of the leading company in the knife industry and won the reputation of "The Knife Center of China".

Nowadays , we continue to innovate with a goal of becoming the manufacturing expert of the finest knives and tools.

1993年陈世添创办鸿丰小刀，有一次，他亲自送货到客户那里，客户不屑一顾，转眼间就抽起一把扔进了池塘里，说道：质量太差了。从那时起，陈世添始终坚持“打造中国最好小刀”的信念，从没动摇过。

凭着这份初心和信念，执着于技术和创新，将一把小刀变成具备割，锯，切，照明以及度量，指南等功能的产品，在居家生活，户外运动，应急求生等方面都能发挥”小刀大用”的效果。2013年，鸿丰小刀发展壮大成为小刀行业龙头，一举摘得“中国小刀中心”的美誉。
